PETITIONING THE COURT

To modify the conditions of supervision as follows:

CAUSE

Freddie Franklin commenced supervision in the Eastern District of Washington on July 19, 2013. He is currently homeless and considered indigent since his release from custody.

It is now necessary for the offender to participate in a Residential Reentry Center (RRC) program for up to 180 days. Unfortunately, he has been unable to establish a stable residence, to date. The undersigned officer is of the opinion that by allowing Mr. Franklin to participate at the RRC for the designated period of time, he will address his housing and other basic needs. Hopefully, the offender will focus on developing a release plan appropriate for transitional purposes.

I have maintained daily contact with Mr. Franklin since his release and he is considered compliant. Mr. Franklin is in the process of applying for social security benefits given his mental health deficiencies, and he is attempting to secure housing via the SNAP program, in Spokane County, Washington. Freddie Franklin agrees that participation in the RRC is necessary to develop a suitable release plan. If the Court concurs with the request for modification, the undersigned officer will facilitate placement at once.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervised release be adopted. It is also recommended that Mr. Franklin be allowed to transition immediately from the RRC to his residence, once secured.
